

SUSAN PHEBY SCHOOL OF DANCE

RETURN TO DANCING - COVID 19 HEALTH AND SAFETY STUDIO GUIDELINES

Based on the government's advice and guidance from the dance societies Susan Pheby School of Dance have made some changes so we can all continue to operate and ensure everyone feels safe, including undertaking a risk assessment which is available on the website www.suepheby.co.uk

In conjunction with Rivermead, there will be increased sanitising of surfaces in communal areas such as floors, door handles, toilet and sink areas. Sanitising of dance studio floor and areas at the bottom of the stairs and landing.

Disinfecting of all touch points including handrails, door handles, barres, etc.

Both doors of the studio will be left open for ventilation, there are also two large ventilation fans in the far wall of the studio.

There will be queueing system with markers for social distancing for large groups, and a one-way system for busy changeovers.

Dancers and parents must keep 2m socially distant during arrival and departure plus dancers must keep to markers to distance during the classes.

Please follow instructions on hygiene and social distancing as displayed around the building to keep yourself and everyone safe.

WELCOME BACK !
